Bookmark File PDF Human Resource Management Gaining A Competitive Advantage

Human Resource Management: Gaining a Competitive Advantage was developed to teach students how to strategically overcome challenges within organizations, and gain a competitive advantage for their companies. All of the authors have won numerous teaching and prestigious research awards; this, along with their teamwork and consulting experience, delivers a learning program strong in depth and breadth, and current in research and practice simply not found in other products.

Steen/Noe Fifth Canadian Edition has been written to make HR more accessible to students, more reflective of their situation, and more about them. Today, every manager is "in HR", and every employee is actively engaged in the process of HRM, regardless of whether they aspire to be a manager or an HR professional. Students will experience HRM every day of their working lives, from how they are perceived by recruiters to completing a performance appraisal, to being promoted or fired. When students ask "What's In It For Me?", the Fifth Canadian Edition will show them just how relevant HRM is to them as people, employees and eventually managers. This easy to read and relevant 11 chapter human resource management text is ideal for a one-semester course. Steen/Noe balances theory with practical application and rich examples that support the need for foundational HRM, thought leadership and applied insight necessary to perform and thrive in organizations today.

As competitors strive to win the war for talent, effective human resource management is necessary to gain true competitive advantage in the marketplace. Three challenges companies face are sustainability, technology, and globalization. Human Resource Management 7th Edition brings these challenges to life by highlighting real-world examples pertaining to these issues and relating it to the concepts within the chapter. This best-selling McGraw-Hill/Irwin Human Resource Management title provides students with

the technical background needed to be a knowledgeable consumer of human resource (HR) products and services, to manage HR effectively, or to be a successful HR professional. While clearly strategic in nature, the text also emphasizes how managers can more effectively acquire, develop, compensate, and manage the internal and external environment that relates to the management of human resources.

Helps you teach students how to face and meet a variety of challenges within their organizations and how to gain a competitive advantage for their companies. This book emphasizes how the HRM function, as well as the management of human resources, can help companies gain a competitive advantage.

The first edition of Strategic Human Resource Management was built on the foundations of the most successful HRM text in the United States, which is now in its ninth edition. The second Canadian edition continues to build on the strengths of these two titles and incorporates both new and updated content while still reflecting the Canadian HRM reality. The Canadian experience and perspective is deftly woven into the text through targeted Canadian examples and cases, and covers all the major strategic HRM topics in depth while respecting parameters of the Canadian semester. The Second Canadian edition focuses on the three challenges facing companies today - sustainability, technology and globalization. Strategic Human Resource Management, brings these three challenges to life by highlighting real-world examples pertaining to these issues and relating it to the concepts within the chapter. Additionally the text draws from the diverse research, teaching, work, and consulting experiences of the authors and emphasizes how the HRM function, and the management of human resources, can help companies gain a competitive advantage.
