Cambridge Global English (7-8) is a lower Secondary course following the Cambridge Secondary English as a Second Language Curriculum Framework developed by Cambridge English Language Assessment. The course is also aligned with the Common European Framework of Reference.

Cambridge English Empower is a general adult course that combines course content from Cambridge University Press with validated assessment from the experts at Cambridge English Language Assessment. The Pre-intermediate Student's Book gives learners an immediate sense of purpose and clear learning objectives. It provides core grammar and vocabulary input alongside a mix of skills. Speaking lessons offer a unique combination of functional language, pronunciation and conversation skills, alongside video filmed in the real world. Each unit ends with a consolidation of core language from the unit and focuses on writing within the context of a highly communicative mixed-skills lesson. This version of the Student's Book does not provide access to the video, assessment package and online workbook. A version with full access is available separately.

Nine units per student book, each with eight lessons A broad range of lesson types focusing on key skills, including vocabulary, grammar, reading, speaking, and writing, all with 100% new content NEW listening and word skills lessons help develop confident communicators Exam skills trainer sections prepare students for typical school-leaving/Cambridge tasks, and provide them with the language, strategies, and exam skills they need to achieve success Extra speaking task sections provide additional opportunities for speaking practice Grammar builder pages with each unit provide extra practice exercises for students who need additional support Grammar reference pages allow learners to check grammar rules Vocabulary builder with each unit allows students to learn and practice new vocabulary Culture Bank includes 9 ready-to-use culture lessons linked to the topic and language of the main units, providing extra reading and listening practice

This volume features the complete text of the material presented at the Twentieth Annual Conference of the Cognitive Science Society. As in previous years, the symposium included an interesting mixture of papers on many topics from researchers with diverse backgrounds and different goals, presenting a multifaceted view of cognitive science. This volume contains papers, posters, and summaries of symposia presented at the leading conference that brings cognitive scientists together to discuss issues of theoretical and applied concern. Submitted presentations are represented in these proceedings as "long papers" (those presented as spoken presentations and "full posters" at the conference) and "short papers" (those presented as "abstract posters" by members of the Cognitive Science Society).
