## SHORT FILM The Nose Gogol

"The Nose" is a satirical short story by Nikolai Gogol written during his time living in St. Petersburg. During this time, Gogol's works were primarily focused on the grotesque and absurd, with a romantic twist. Written between 1835 and 1836, "The Nose" tells the story of a St. Petersburg official whose nose leaves his face and develops a life of its own. "The Nose" was originally published in *The Contemporary*, a literary journal owned by Alexander Pushkin. The use of a nose as the main source o

Social status is one of the most important themes in Gogol's "The Nose." At the time of writing, Russian bureaucracy was a vastly

# Get Free The Nose Gogol

inflated system for Russians to move up the ranks to nobility through service to the government. As such, positions within the bureaucracy were highly coveted and depended greatly on status.

"A most extraordinary thing happened in St. Petersburg on the twenty-fifth of March." The opening lines of "The Nose", one of Gogol ' s best-known stories, and quite possibly the most absurd, are just as promising as any of his works. The simple yet extraordinary plot follows the story of the civil servant Major Kovalyov who wakes up one morning to discover his nose has left his face and is living a life of its own. Strange as it may seem, the nose has even surpassed him by attaining a higher rank! The story is a brilliant portrayal of the preoccupation with social rank in Imperial Russia, a biting satire

## Get Free The Nose Gogol

of the bureaucrats ' pursuit of higher position within the Table of Ranks. A masterful combination of brilliant words, witty imagination, and unparalleled humor, it remains one of the most striking stories of all times. It is believed to have influenced masterpieces of world literature, including Dostoevsky's "The Double," Stevenson's "Dr. Jekyll and Mr. Hyde", and Kafka ' s "Metamorphosis". Nikolai Gogol (1809-1852) was a Ukrainian-born Russian humorist, novelist, and dramatist whose work played a crucial role in the direction of Russian literature. He was considered to be one of the leading figures of Russian realism. His novel "Dead Souls", a satire of the political corruption in the Russian Empire, is viewed by many literary historians as the first great Russian novel. Among his contributions to Russian and world literature are the surrealistic and grotesque "The Nose" and "The Mantle", the satirical

"The Government Inspector/The Inspector General", the historical novel "Taras Bulba", the comedy "Marriage", the humorous short stories "Diary of a Madman" and "The Tale of How Ivan Ivanovich Quarreled with Ivan Nikiforovich". His works have influenced generations of readers and still continue to impress with their subtle psychologism and matchless style.

Collegiate Assessor Kovalyov awakens to discover that his nose is missing, he finds and confronts his nose, but the nose has acquired a higher rank in the civil service than he and refuses to return to his face.

"The Nose" by Nikolai Gogol. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten – or yet undiscovered gems – of world literature, we

issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

Nikolai Gogol ' s novel *Dead Souls* and play *The Government Inspector* revolutionized Russian literature and continue to entertain generations of readers around the world. Yet Gogol ' s peculiar genius comes through most powerfully in his short stories. By turns—or at once—funny, terrifying, and profound, the tales collected in *The Nose and Other Stories* are among the greatest achievements of world literature. These stories showcase Gogol ' s vivid, haunting imagination: an encounter with evil in a darkened church, a downtrodden clerk who dreams only of a

new overcoat, a nose that falls off a face and reappears around town on its own, outranking its former owner. Written between 1831 and 1842, they span the colorful setting of rural Ukraine to the unforgiving urban landscape of St. Petersburg to the ancient labyrinth of Rome. Yet they share Gogol's characteristic obsessions—city crowds, bureaucratic hierarchy and irrationality, the devil in disguise—and a constant undercurrent of the absurd. Susanne Fusso's translations pay careful attention to the strangeness and wonder of Gogol's style, preserving the inimitable humor and oddity of his language. *The Nose and Other Stories* reveals why Russian writers from Dostoevsky to Nabokov have returned to Gogol as the cornerstone of their unparalleled literary tradition.

Stories are among the greatest achievements of world literature. They showcase Nikolai Gogol's vivid, haunting imagination: an encounter with evil in a darkened church, a downtrodden clerk who dreams only of a new overcoat, a nose that falls off a face and reappears around town on its own.

This literary guide leads students with advanced knowledge of Russian as well as experienced scholars through the text of Nikolai Gogol ' s absurdist masterpiece " The Nose. " Part I focuses on numerous instances of the writer ' s wordplay, which is meant to surprise and delight the reader, but which often is lost in English translations. It traces Gogol ' s descriptions of everyday life in St. Petersburg, familiar to the writer ' s contemporaries and fellow citizens but hidden from the modern Western reader. Part II presents an overview of major critical interpretations of the story in Gogol

## Get Free The Nose Gogol

scholarship from the time of its publication to the present, as well as its connections to the works of Shostakovich, Kafka, Dal í , and Kharms.

Fresh, stylish new translations of Gogol's greatest short stories collected in a beautiful edition Admired by writers from Nabokov to Bulgakov to George Saunders, Gogol is considered one of the more enigmatic of the Russian greats. He only wrote one novel, Dead Souls, and destroyed much of his later work, so his stories constitute his major output. In this collection, beautifully and skilfully translated by Oliver Ready, Gogol's three greatest St Petersburg stories - 'The Nose', 'The Overcoat' and 'The Diary of a Madman' - are presented alongside three masterworks set in the Ukrainian and Russian provinces, demonstrating the breadth of Gogol's work. Gogol's extraordinary work is characterised by his

# Get Free The Nose Gogol

idiosyncratic and often very funny sensibility, and these stories offer us his unique, original and marvellously skewed perspective on the world.

As a novel-writer and a dramatist, Gogol appears to me to deserve a minute study, and if the knowledge of Russian were more widely spread, he could not fail to obtain in Europe a reputation equal to that of the best English humorists. A delicate and close observer, quick to detect the absurd, bold in exposing, but inclined to push his fun too far, Gogol is in the first place a very lively satirist. He is merciless towards fools and rascals, but he has only one weapon at his disposal Ñ irony. This is a weapon which is too severe to use against the merely absurd, and on the other hand it is not sharp enough for the punishment of crime; and it is against crime that Gogol too often uses it. His comic vein is always too near the farcical,

## Get Free The Nose Gogol

and his mirth is hardly contagious. If sometimes he makes his reader laugh, he still leaves in his mind a feeling of bitterness and indignation; his satires do not avenge society, they only make it angry. As a painter of manners, Gogol excels in familiar scenes. He is akin to Teniers and Callot. We feel as though we had seen and lived with his characters, for he shows us their eccentricities, their nervous habits, their slightest gestures. One lisps, another mispronounces his words, and a third hisses because he has lost a front tooth. Unfortunately Gogol is so absorbed in this minute study of details that he too often forgets to subordinate them to the main action of the story. To tell the truth, there is no ordered plan in his works, and Ñ a strange trait in an author who sets up as a realist Ñ he takes no care to preserve an atmosphere of probability. His most carefully painted scenes are clumsily

# Get Free The Nose Gogol

connected Ñ they begin and end abruptly; often the author's great carelessness in construction destroys, as though wantonly, the illusion produced by the truth of his descriptions and the naturalness of his conversations.

Using, or rather mimicking, traditional forms of storytelling Gogol created stories that are complete within themselves and only tangentially connected to a meaning or moral. His work belongs to the school of invention, where each twist and turn of the narrative is a surprise unfettered by obligation to an overarching theme. Selected from *Evenings on a Farm near Dikanka*, *Mirgorod*, and the Petersburg tales and arranged in order of composition, the thirteen stories in *The Collected Tales of Nikolai Gogol* encompass the breadth of Gogol's literary achievement. From the demon-haunted “ St. John's Eve ” to the

## Get Free The Nose Gogol

heartrending humiliations and trials of a titular councilor in “ The Overcoat, ” Gogol's knack for turning literary conventions on their heads combined with his overt joy in the art of story telling shine through in each of the tales. This translation, by Richard Pevear and Larissa Volokhonsky, is as vigorous and darkly funny as the original Russian. It allows readers to experience anew the unmistakable genius of a writer who paved the way for Dostevsky and Kafka.

Written in the 1830s and early 1840s, these comic stories tackle life behind the cold and elegant facade of the Imperial capital from the viewpoints of various characters, such as a collegiate assessor who one day finds that his nose has detached itself from his face and risen the ranks to become a state councillor ('The Nose'), a painter and a lieutenant whose romantic pursuits meet with

# Get Free The Nose Gogol

contrasting degrees of success ('Nevsky Prospect') and a lowly civil servant whose existence desperately unravels when he loses his prized new coat ('The Overcoat'). Also including the 'Diary of Madman', these Petersburg Tales paint a critical yet hilarious portrait of a city riddled with pomposity and self-importance, masterfully juxtaposing nineteenth-century realism with madcap surrealism, and combining absurdist farce with biting satire.
